Schedule of Recounting / Re-Verification

The Board has followed a stringent regimen of evaluation, verifications, finalization of marks, tabulation, consolidation and determination of Qualification (or otherwise) based on the claims made by the Candidates about Community, Age, Local Candidature, Ex-Serviceman Status, Academic Qualifications etc. Therefore, *there is hardly any scope for possible correction in the marks obtained by the Candidates in all the Subjects*.

Nevertheless, Candidates are being given an opportunity to apply for Recounting / Re-Verification on payment of a Service Fee of Rs.2,000/- (for Candidates of SC / ST Communities) and Rs.3,000/- (for all Others including all Non-Local Candidates) per each Paper for which the Candidate seeks Recounting / Re verification. This facility can be availed of by the Candidates on the TSLPRB website, in their respective login areas **from 8 a m on 1ˢᵗ June to 8 p m on 3ʳᵈ June 2023**, by giving the details of their request for Recounting / Re-Verification and by paying the designated Service Fee online. Candidates have to make such requests separately for each of the FWEs mentioned above. If any Candidate had already qualified in any particular Language Paper of English and Telugu / Urdu (only qualifying in nature and does not have any merit implications), then Recounting and Re-Verification of that particular Language Paper (which does not serve any useful purpose) shall not be allowed.

During Recounting / Re-verification, in case of OMR Based Tests / Objective Type Questions (of Language Papers) – the number of Correct Responses, Incorrect Responses and Blank / Zero-marked Responses will be checked and it will be ascertained if the marks already awarded to the Candidate are appropriate or not. Similarly, in the case of Descriptive Part of Language Papers, marks obtained by the Candidate (each question-wise) will be recounted to see if there has been any calculation error. Result of Recounting / Re-verification will be informed to the Candidates (who apply) on the website in their individual login areas within a few days from 3ʳᵈ June 2023 and subsequent necessary action, wherever required, will be taken up.

Opportunity to Candidates to Edit Application Data

All those parameters that have a bearing on the evaluation / qualification of each individual Candidate, till the conclusion of the Final Written Examination have already been taken care of by TSLPRB based on the claims made by the Candidates about Community, Age, Local Candidature, Ex-Serviceman Status, Academic Qualifications. On conclusion of the process of finalization of the Qualified-Lists (after the Recounting / Re-verification as described above), *__Candidates will be given an opportunity to modify / correct any erroneous entries/ uploads earlier made by them in their Application, at the time of Certificate Verification.__* Final Merit Lists will be drawn only after the completion of Certificate Verification. Therefore, Candidates are advised not to worry about these errors / mistakes or modifications / corrections to be done as long as they do not have any bearing on their Qualification in the Final Written Examinations.
